 PVC

Property of Vapor Pin Enterprises, Inc.
 Protected under Patent # 8,220,347 B2
 and other Patents Pending

Name: VAPOR PIN[®] Insert

Drawing No.: VP0014.03

Date: March 21, 2022

(A) The outer diameter of the insert is designed to fit within 1.5 inch Schedule 40 PVC pipe, if additional length is required.

(B) Channels to allow for trimming the insert to length, or to provide a guide to drill holes to promote air flow.

(C) The inner diameter of the Insert is designed to engage with the VAPOR PIN[®] Insert Cap (VP0017.##).
